Interest

My name is Daniel Moreno and I was born in Caracas, Venezuela. I moved to America when I was 5 years old with my parents', Rosi and Larry Moreno, and my younger sister, Deborah Moreno. One distinct fact about me is that I was born fully healthy and deaf while my entire family is hearing. Thankfully, they learned sign language with me as well. I also love traveling around the world, I'm down to earth, friendly, enjoy making people laugh, a huge Star Wars fan, and I love to create new things as an industrial designer.
